

## **AFPI ( Academy of Family Physicians of India)**

Academy of Family Physicians of India is a leading organization in India, promoting training and education of Primary Care Physicians. AFPI is a nonprofit organization registered under society's registration act of India. AFPI functions as educational and professional forum catering to the needs of a wide range of primary care providers. AFPI actively promotes Family Medicine - the academic discipline and specialty of primary care physicians and advocates multiskilling and competency based training programs for them. Since its inception, AFPI has engaged with several projects of advocacy, training and education of Family Medicine & Primary Care.

AFPI Vision: Transforming healthcare delivery system in India through enhanced level of community based quality health care.

AFPI Mission: Improve health status of communities by building up an environment of change and reform by promoting education/training of skilled primary care physicians and their integration with the healthcare delivery system.

AFPI Objectives: Advocacy role, Quality education, Practice standardization & promotion of Family practice and Shouldering public health responsibilities.

## **FMPC 2019 & Theme**

The 4th National Conference on Family Medicine and Primary Care (FMPC) is being organized on **3rd and 4th August 2019** at Bengaluru - The Silicon Valley of India. Young Physicians conclave & PG Update will be held on 2<sup>nd</sup> August. The theme of the conference is "**Technology Innovations for better delivery of Primary Care in India**". The objective of FMPC 2019 is to create a platform to bring together various stakeholders in Primary Care and healthcare technology.

Healthcare delivery in India is rapidly transforming due to increasing demand, accessibility and innovations on the technology front, by way of Apps, Telemedicine, EHR, medical devices and more. This shall make healthcare equitable, transparent, and accessible to all and will also provide an ethical revenue stream for health care professionals and organizations.

This conference will be a special occasion to bring together all the stakeholders in Primary Care and Health Information Technology on a common platform to exchange ideas, discover novel opportunities, reacquaint with colleagues, meet new friends and broaden their knowledge

The three conferences of FMPC held so far have received international and national appreciations. The huge participation from all over the country and abroad is testimony to the gaining relevance of Family Medicine in India. This conference, apart from having key note speakers from the field will have healthcare technology leaders speaking on latest developments in the space. Faculty from all over India and Post graduate students in Family Medicine, General practitioners, Specialists and Postgraduate students from other specialties and healthcare technology specialists, who understand and support the growth of Family Medicine are all expected to attend the mega event. FMPC 2019 would be extensively publicized through print, visual and social media and has already caught the attention of many. We, the Academy of Family Physicians of India (AFPI), aim to set high standards of clinical practice and academics. We solicit your patronage and request you to confirm your participation in FMPC 2019 and support a bigger cause.
